

2010–2014 Draft Statewide Transportation Improvement Program

This is your opportunity to comment on Montana's Transportation Projects

The Montana Department of Transportation (MDT) has released a draft of the 2010–2014 Statewide Transportation Improvement Program (STIP). MDT wants your comments and ideas on these projects.

The STIP is a list of projects planned for Montana for the next five federal fiscal years. It includes aeronautic, railway, highway, public transportation, and federal lands highway projects.

The primary goal of the draft STIP is to solicit public comment on the proposed transportation program for Montana.

Each year, MDT receives many helpful comments and innovative ideas from the public on transportation-related issues. We carefully consider and respond to these comments and strive to incorporate them into the Department's decision-making processes.

The public comment period for the 2010–2014 draft STIP runs through June 18. Please send MDT your comments prior to that date so we can consider them for the final document.

The draft STIP booklet is available on-line at www.mdt.mt.gov/pubinvolve/active_projects.shtml.

You can request a hard copy by writing to the MDT Project Analysis Bureau or calling one of the numbers listed on the back page. Copies are also available at your public library.

We encourage the public to comment on this list now or anytime throughout the year as various transportation issues may arise.

To locate the major projects listed in the draft STIP (those costing over \$100,000), please refer to the map in the center of this issue of *Newsline*.

Commenting on Other Projects

Throughout the year, MDT submits projects that are not on the STIP list to the Transportation Commission for approval. To view the list of highway projects MDT plans to present at the next Transportation Commission meeting, go to http://www.mdt.mt.gov/pubinvolve/docs/trans_comm/proposed_proj.pdf.

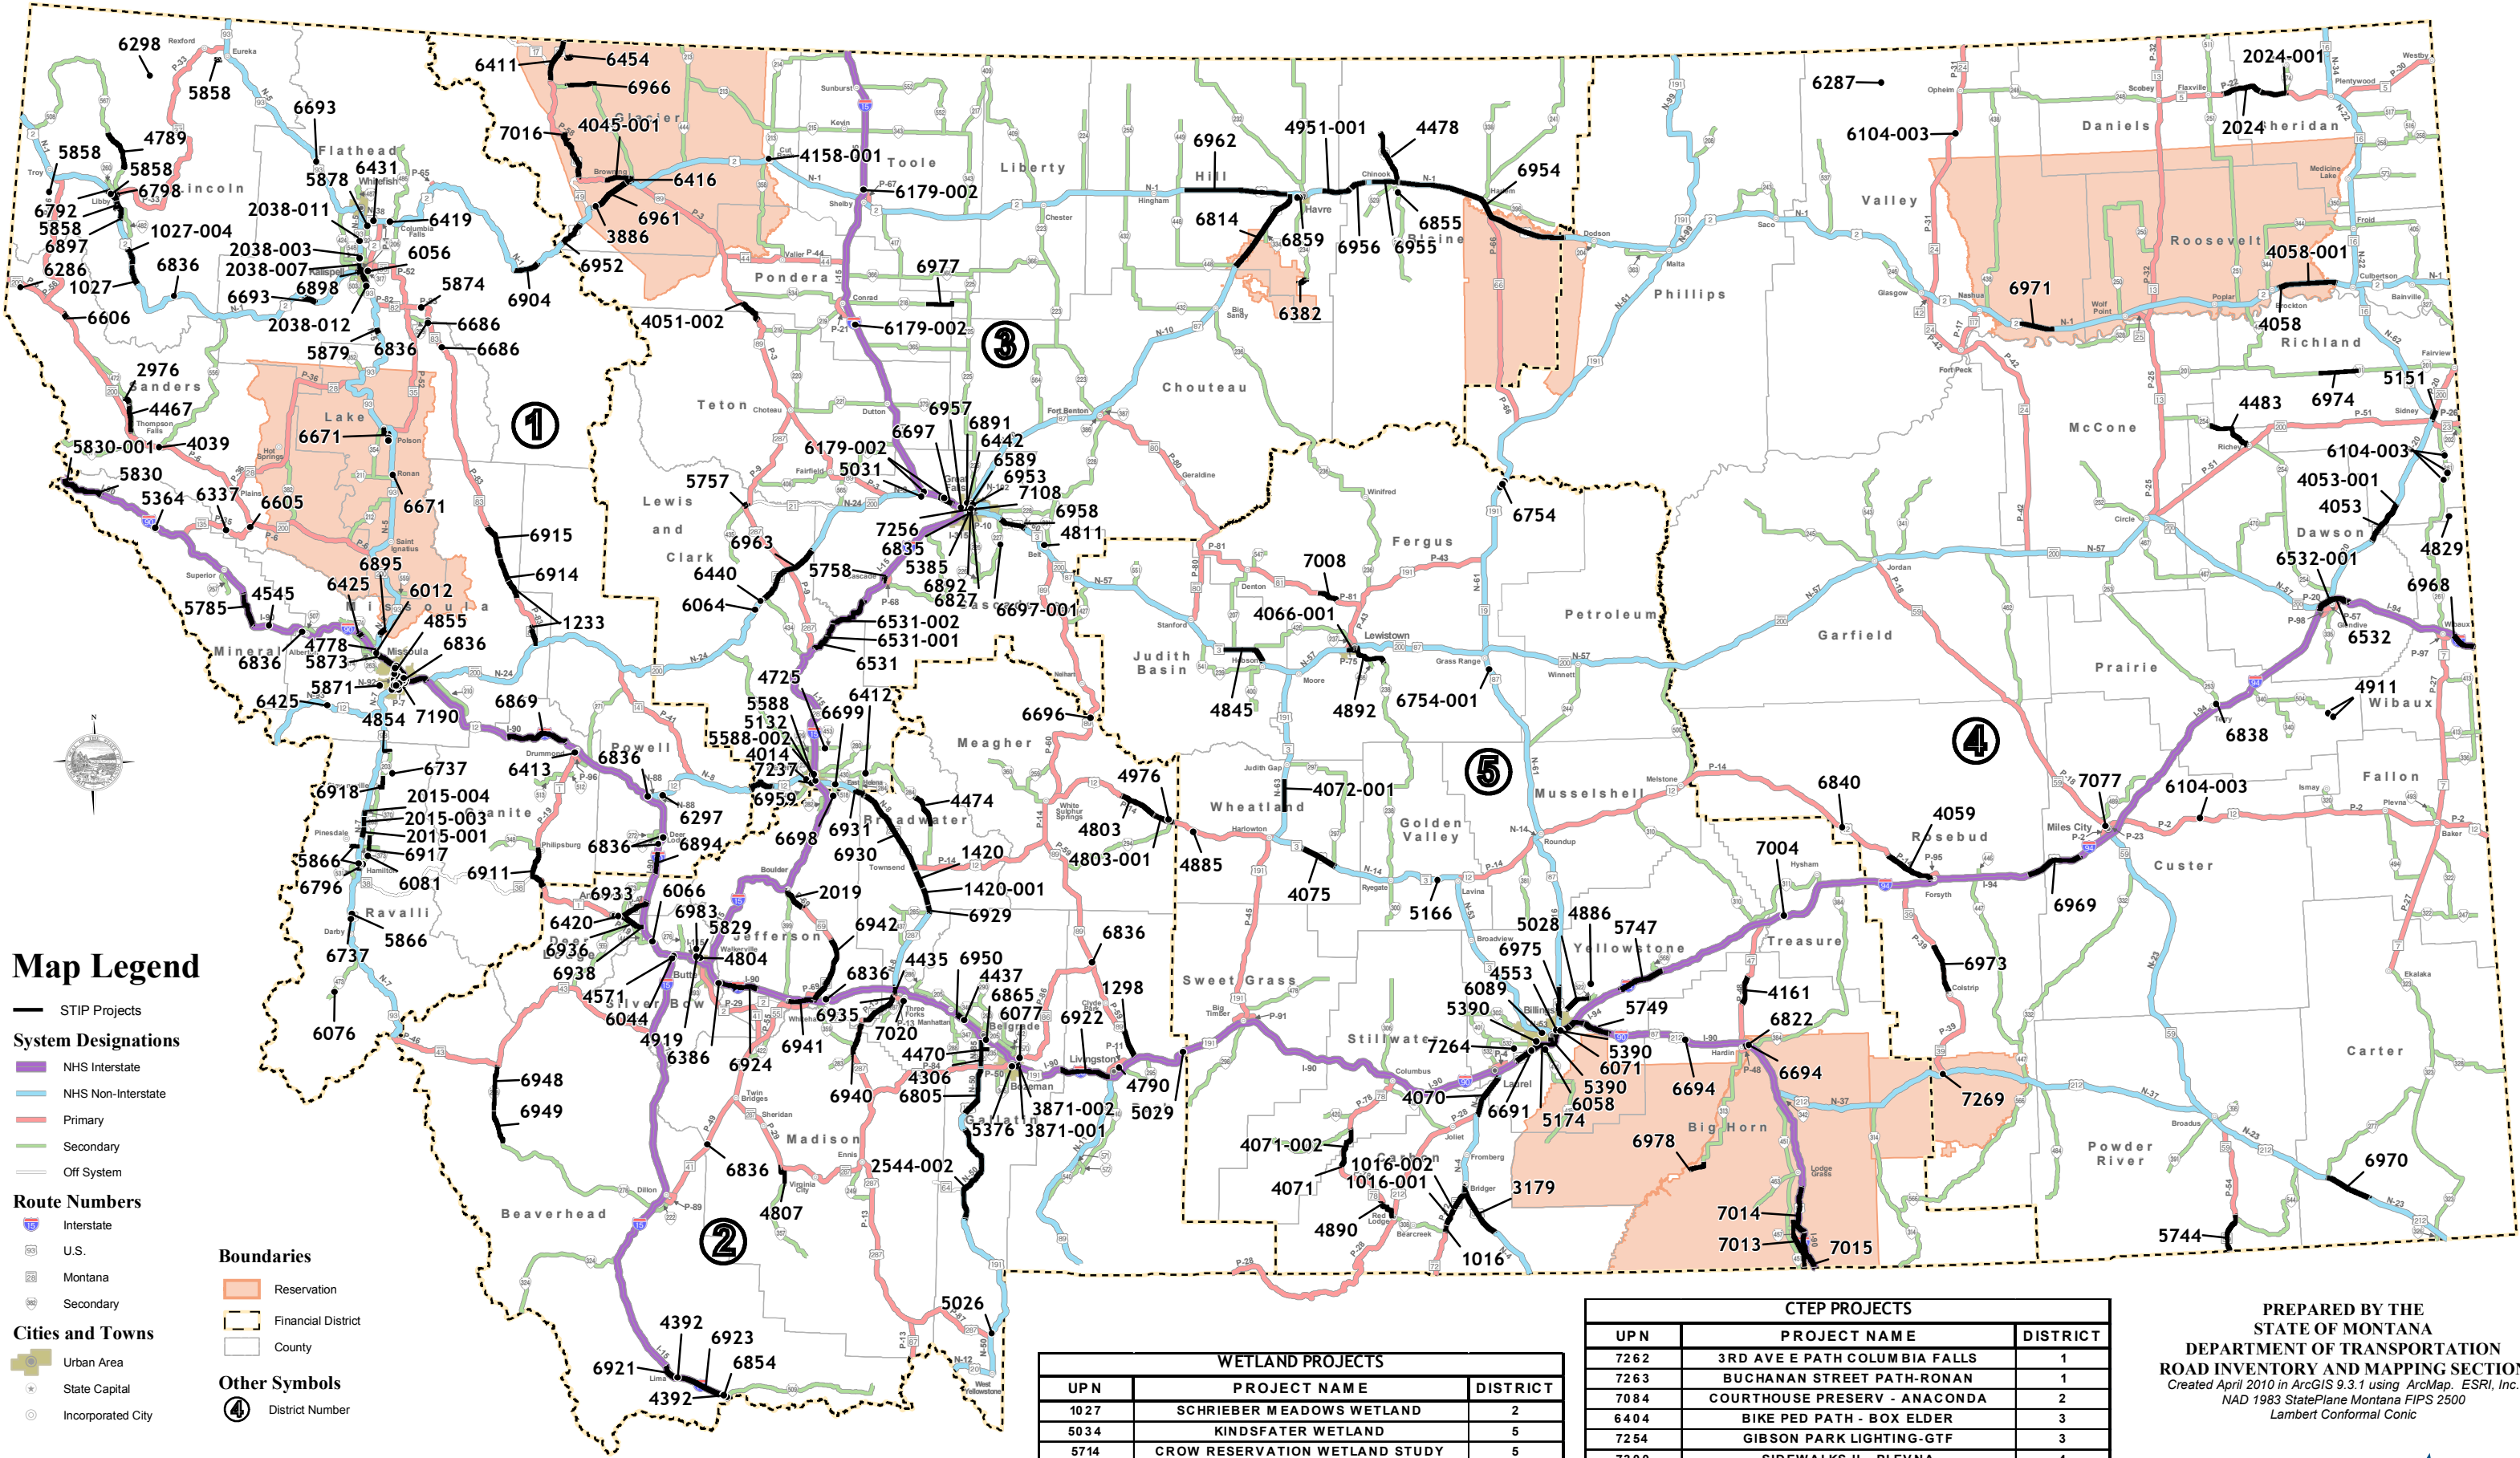

If you prefer to receive the list by mail, call us toll-free at 1-800-714-7296.

You can also mail your comments to the following address or e-mail them to mdtnewprojects@mt.gov.
